DR. JUDITH L. BAILEY, President

**Northern Michigan University** was founded in 1899 as a coeducational, state-supported institution. The university serves the state and, in particular, the Upper Peninsula of Michigan through a three-dimensional program of instruction, research, and service. Northern offers one-year certificate programs and degree programs at the Associate, Bachelor's, and Master's levels.

The academic program is organized into 30 departments which fall under 6 colleges: College of Arts and Sciences; The Walker L. Cisler College of Business; College of Professional Studies; College of Technology and Applied Sciences; and College of Graduate Studies.

### ***Diploma Programs***

Diploma programs are offered in Cosmetology and Collision Repair Technology. One-year certificate programs are offered in automotive service, carpentry, clinical assistant, culinary arts, heating/air conditioning and refrigeration, individualized studies, office services, paraprofessional instructional aide, practical nursing, surgical technician, and wastewater treatment technology. Associate degree programs are available in architectural technology, automotive service technology, aviation maintenance technology, building technology, child care services, climate control technology, clinical lab technician, computer-aided design-mechanical, computer information systems, corrections, crafts, criminal justice, electro-mechanical technology, electronics technology, food service management, general business, health information processing, histotechnician, individualized studies, industrial maintenance, industrial media, law enforcement, liberal studies, manufacturing technology, media illustration, office information assistant, science technician, and water treatment technology.

### ***Bachelor's Degree Programs***

Four-year programs leading to the Bachelor's degree are offered in accounting, accounting/computer information systems, applied math, applied sociology, art and design, athletic training, biochemistry, biology, botany, business undeclared, chemistry, clinical laboratory science, clinical systems analyst, communication disorders, computer information systems, computer science, construction management, criminal justice, cytotechnology, diagnostic genetics, dietetics/clinical and administrative, earth science, ecology, economics, electronics engineering technology, English, education, electronic journalism, entrepreneurship, environmental conservation, financial management, French, health and fitness management, health education, history, histotechnologist, hospitality management, human geography, individualized studies, industrial technology, international studies, liberal studies, management, marketing, mathematics, mechanical engineering technology, media studies, microbiology, music, network computing, nursing, outdoor leadership and management, philosophy, physical education, physical geography, physics, physiology, planning, political science/prelaw, preschool and family life, public administration, public relations, psychology, science technologist, ski area business management, social work, sociology, Spanish, speech communications, sports science, technology and applied sciences, technical communication, theatre, water science, writing, and zoology.

### ***Master's Degree Programs***

The University offers the Master of Arts degree in education with curricula in counseling, educational administration, elementary education, mathematics education, mathematics and science education, secondary education, education specialist, and education certifications. The Master's degree is also offered in the following areas: administrative service, biology, chemistry, communication disorders, criminal justice, English, exercise science, individualized studies, mathematics education, nursing (M.S.N.), and public administration.

### ***Off-Campus Programs***

Northern provides off-campus courses throughout the Upper Peninsula with specialized offerings at Escanaba, Houghton/Hancock, Iron Mountain/Kingsford, Ironwood, Menominee, and Sault Ste. Marie. These course offerings are being delivered by traditional methods as well as through interactive television. Independent study courses are also offered through correspondence and Internet methodologies.

### ***Accreditations***

Northern Michigan University is accredited by the North Central Association of Colleges and Secondary Schools. All education programs are accredited by the National Council for the

Accreditation of Teacher Education. Other accreditations are the American Alliance for Health, Physical Education, Recreation and Dance; American Chemical Society; American Society of Cytology; American Speech-Language-Hearing Association; Commission on Accreditation of Allied Health Education Professionals; National Accrediting Agency for Clinical Laboratory Sciences; National Association of Schools of Music; the Council on Social Work Education; National Association of Industrial Technology; the National Council of Teachers of Math; and approval by the American Dietetics Association. In addition, the nursing programs (Practical Nursing Associate, Bachelor's and Master's Degrees) hold approval and accreditation by the Michigan Department of Licensing and Regulation, State Board of Nursing, and National League for Nursing.

The College of Business is an Assembly Member of the American Assembly of Collegiate Schools of Business.
